DIRECTORS' REPORT

for the financial year ended 30 June 2020

The directors present their report and the unaudited financial statements for the financial year ended 30 June 2020.

Principal Activity and Review of the Business

The main activities of the company are the running of the Knocklyon community website, providing support for employers and prospective employees in the local community and facilitating interaction with local Government Bodies and various groups in the local community and its immediate surrounds.

The Knocklyon Network is a local community group with not for profit status that was formed for the people and by the people of Knocklyon. The group meets every Tuesday in the Iona Centre, Knocklyon Dublin 16.

The Knocklyon Network aims to provide a safe and informative environment for local people to network, share skills and experiences. We aspire to build a sustainable network that can continue to grow and develop for the benefit of everyone.

The Knocklyon Network wants and encourages people to come share their ideas and knowledge, so that, together we can create a more inclusive, vibrant community.

The Company is limited by guarantee not having a share capital.

Knocklyon Network continued in 2019-20 to develop its role and position within the Knocklyon Community. The Network applied and was awarded a Grant from South Dublin County Council of €200, to assist in its biodiversity project in conjunction with St. Colmcilles Senior national School. Our AGM was held in December 2019 and was noted for the retirement of Chair Eugene Barrett and the election of a new Chair Julie Kilroy. We continued to work closely with SEAI and St. Colmcilles Community school. An energy night was held in the school attended by over 100 people to hear about energy grants towards retro-fitting their houses. We are currently working on a Transport initiative with SEAI to reduce Transport Energy. Unfortunately, with the onset of the Pandemic our work was curtailed. We have tried to keep some aspects going via Zoom, etc. Our Social Media have been a key aspect of communication within the Community through COVID lockdown. The directors expect the general level of activity to continue in the coming years.

The company continues to invest in research and development. The directors regard research as a prerequisite for success in the medium to long term future.

The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus, they continue to adopt the Going Concern basis in preparing the Annual Financial Statements.

Further details regarding the adoption of the going concern basis can be found in the Statement of accounting policies in the financial statements.
